A14 Cambridge to Huntingdon improvement scheme - upcoming changes at Bar Hill (junction 29, A14), Monday 11 November

Work to build the new junction at Bar Hill is progressing well and we're now preparing to move to the next phase of work. This will allow us to continue work on the new junction, local access road and main carriageway of the A14.

A full list of changes is listed below – this includes the closure of the A14 westbound exit slip at Bar Hill (junction 29), which is particularly important to note if you currently use this exit slip road to leave the A14.

What's happening?

On Thursday 7 November, the second of the new bridges will open, meaning the new roundabout at Bar Hill will be fully operational.

From 5am on Monday 11 November, the following changes will be in place:

- The local road between Bar Hill and Oakington will become two-way
- A14 westbound entry slip at Dry Drayton (junction 30) closes
- A14 westbound exit slip at Bar Hill (junction 29) closes, until January 2020
- A14 eastbound entry slip at Oakington (junction 30) closes
- A14 eastbound entry slip at Bar Hill (junction 29) will open from new roundabout

These changes, and the new layout, can be viewed on the enclosed map.

How will this affect your journey?

For travel on the westbound A14

- If you're travelling to Dry Drayton, Oakington, Bar Hill, Longstanton and Northstowe, you'll exit the A14 at junction 30 (Dry Drayton).

Those travelling to Bar Hill, Longstanton and Northstowe will cross the A14 on Dry Drayton bridge, turn left at the roundabout and then continue west along the new two-way local road towards junction 29 (Bar Hill), where you'll turn right towards B1050 Hattons Road to continue to your destination.

- If you wish to access the westbound A14 from Oakington and Dry Drayton you can either travel west along the new two-way local road to junction 29 (Bar Hill) and join from there, or travel east along the local road past the Crematorium and join the westbound A14 via the Girton entry slip.

For travel on the eastbound A14

- If you wish to join the eastbound A14 from Oakington and Dry Drayton, travel west along the local road, then turn right towards B1050 Hattons Road to join the eastbound A14 via the new entry slip road from junction 29 (Bar Hill).
- If you wish to join the eastbound A14 from Bar Hill, Longstanton and Northstowe, you'll be able to use the new entry slip road from junction 29 (Bar Hill).

Want to know more?

We'll be at Tesco Bar Hill on Tuesday 5 November from 3pm to 7pm.

Alternatively, please get in touch on 0800 270 0114 or email us at A14CambridgeHuntingdon@highwaysengland.co.uk.

Thank you for your continued patience while we carry out this important work to improve your junction.

Yours faithfully

Mark Berg
A14 IDT Project Director
