

Interim Clerk for Northstowe

There are 20 nominations for the 15 seats on Northstowe Town Council, and the election will take place on the 6th May 2021, with the newly elected members taking their seats on the 10th May. The first meeting of the elected council is planned for the 20th May 2021.

The Interim Council will be meeting on the 28th April 2021, and will be putting in place some of the key documents for the Town Council, along with agreeing the recruitment pack for the Town Clerk, this post will be advertised shortly.

On my handing over to the permanent Town Clerk, when appointed, I will ensure that they are aware of the close relationship that is required between Longstanton Parish Council and Northstowe Town Council. There is a real opportunity for some good and positive partnership working on matters that are important to both parishes, for example - climate change, sustainability and flooding.

I would like to thank Libby, your clerk for the support and information I have received during my time as Interim Clerk at Northstowe.
