Subject: Tim Creamer

Dear Parish Council,

It will be the one-year anniversary of the death of Tim Creamer, a former resident of Longstanton, on 15th April. Tim died as a result of COVID 19 and leaves behind a young wife, Helen and 3 young children under the age of 11 years, all of whom still reside at the family home in Longstanton.

Tim led a church small group in Longstanton and the group have collected funds in remembrance of his life. As a tribute to Tim, we would like to request permission to purchase a "park" bench and have it located in Longstanton.

I understand that this would need to be done under the auspices of the Parish Council and we would be happy to make the necessary donation direct to the Parish Council to enable the provision of the bench. We would also like it to carry the inscription, "In loving memory of Tim Creamer".

Please could you let me know if this is possible and, if so, details as to how we can progress this.

We think that this would be a wonderful way for his wife and children to remember Tim and the role he played in the local community.

Yours sincerely,

Longstanton Connect Group
