

Music Madness

Report to Longstanton Parish Meeting 10th May 2017

Music Madness continues to be a much attended and much needed group in Longstanton attended by parents, grandparents and childminders. We mainly have Longstanton residents but are also joined by Over, Willingham and Swavesey. We have some carers who do not drive so to have an activity in the village is a godsend to them.

With your monetary contribution we have been able to keep to £1 per family. This also allows us to buy Christmas presents, Easter Eggs and a gift for the children who are moving onto school and of course tea, coffee and biscuits.

A huge thank you from me and everyone who attends Music Madness and the rest of the groups in the village you help.

Sharon
